Principal News

Last term Flinders View Primary staff visited our school, now tonight (Friday), Flinders View Primary School are hosting our staff at their school. This will be an opportunity to build stronger connections between the two schools.

We are settling well in to our new school and are thankful for the chance to work and learn in a purpose built school. Some building works will be happening throughout the rest of the year to fix up any problems from the build. This includes a new fence with Department specifications which will soon be constructed around the outside of the school which will be higher and stronger to improve security.

It is Room 2’s turn to share what they have been doing in this newsletter. Well done everyone for the way you learn together and care for each other.

Our next Student Free Day is on Monday June 22nd will be a time for staff to work with Education Department Curriculum Support persons to continue staff development in planning and programming lessons for students based on the Australian Curriculum and Modified SACE.

The AFL trip was hugely successful and enjoyed by all. Our hosts commended our students on their excellent behaviour, well done. Thanks to our staff Michael, Jill, Simone and Sobhna for making it possible and supporting.

Thank you to Aunty Kathy for organising a Reconciliation Week morning tea and a performance by Aunty Kathy, Nana Margaret and Aunty Kae which was well attended by families.

A big thanks to John Ruediger our Acting Deputy this term for his positive support. He will be leaving us next Wednesday.

School Uniforms

The winter order has now been placed - LATE ORDERS WILL NOT BE ACCEPTED.

The next uniform order will be done in Week 3 of Term 3 (next term).
This term has been quite busy for us as we have been fully engaged with Literacy and Numeracy activities. The book we read was “The Very Hungry Caterpillar” and students have been exposed to various learning activities. We linked our learning to numerous aspects like “The life cycle of a butterfly”, healthy eating habits, different food groups, counting as in numbers and calendar work. The students have enjoyed the learning activities and the social interaction too. They celebrate the birthdays of their classmates and learn to contribute and share amongst their friends. Room 2 staff would like to thank families for their support and look forward to your continued support in the near future.
