Principal News

The end of the term is upon us and I thank everyone in the school community for their support while Anne has been away. We welcome Anne back day 1 next term.

Our recent assembly was well attended yet again by families of our students. It was great to have David and Matthew perform musical items for us and to have classes sharing their literacy and numeracy work. Most students were able to receive an attendance award for term 1 - well done! The awards are to recognise the efforts of students to come as often as possible to school so they can learn as much as possible. Congratulations to Dylan, Shakira, Memphis, Patrick, Stuart, Boyd and Bryanna for receiving Class Awards at assembly.

We recently had a visit by 2 politicians, Member for Stuart Dan Van Holst Pellekaan MP and Shadow Minister for Disabilities Dr Duncan McFetridge MP. They toured our school hosted by senior students Jack and Katelyn, Governing Council Chairperson Emily Holden and myself and were very impressed by the school, the learning they witnessed and excellent student behaviour. Congratulations Jack and Katelyn for being great ambassadors for the school and earning a Principals Award.

Reports are being sent home tonight. I have enjoyed reading about the progress all students have made this year - it is a credit to the students themselves and the learning support provided by our dedicated staff. We are exploring using a portfolio reporting approach in the future to further assist families to see evidence of student achievement.
