Welcome to Term 3!
I had a very relaxing time on Long Service Leave and very much enjoyed my travels to the USA and Canada. I have been visiting each class to talk with students and teachers and catch up on the learning that has been happening. I would like to acknowledge Phil’s work in stepping into my position during my absence.

Some Update Information for you:-

- Perimeter Fencing: Installation of compliant security fencing to completely surround the school is scheduled to begin next week. This will make the school safer both during and after hours.
- After adjustments were made to kerbing and motorised roller doors installed the buses are now securely housed in the large bus shed.
- School Opening: Unfortunately The Minister for Education was not available on the dates requested for this term. New dates have been submitted for Term 4 and as soon as a date is confirmed you will be advised.
- School Photos: Photos will be distributed as soon as they arrive at school.
- The school welcomes Ernest (room 3), Jeremy (room 5) and Sabrina (room 6) and their families/carers to our school.
- A welcome also to Tony O’Doherty who joins the teaching staff this term and is based in Room 3.
- Farewell to Darius who has transferred to the special class at PAWPS. We wish him every success.

Attendance continues to be a focus. Being at school every day to access learning and be supported in the learning process is what makes the difference. If your child is unwell please phone and advise the staff and provide a medical certificate should the absence be longer than a day or two.

Regards,

Anne
