## From the Principal

### Aquatics and Swimming

Our Year 8-12 students had a busy start to the year with Aquatics in Week 1. Our R-7 students are currently attending swimming lessons and once again we have experienced extreme weather. Staff and students are enjoying their time at the pool and it is creating an opportunity to work with our students in a different setting. Many classes are beginning to explore excursion opportunities that will enhance our literacy, numeracy, health and life skills programs such as library visits and shopping.

### Adelaide 500

The school has generously been provided with 8 tickets to attend the Adelaide 500 event on Thursday 1<sup>st</sup> March. Cheryl Murphy, Keith Newbery and 6 students will attend this unique event. We hope they have an amazing day.

### Family Information Night

Thank you to staff and families who supported our Family Information Night on the 13<sup>th</sup> February. This night provided an excellent opportunity for families to learn about the classroom and curriculum. Families will have another opportunity to meet the classroom teachers at the One Child One Plan (NEP) meetings, 5<sup>th</sup>-9<sup>th</sup> March. The One Child One Plan is regularly reviewed and changes are made to accommodate new learning goals. This year we are implementing a new state-wide format for this plan that will incorporate the Negotiated Education Plan, the Individual Learning Plan and Individual Education Plan. It is important that parents/carers play a part in the development of their child's plan.
