## From the Principal

Our 2020 enrolments are 37. We are planning for 5 classes again in 2020 (based on current enrolment projections), with Bhupinder Lateef and Kath Smith providing specialist subjects. We are in the process of running transition each Monday which will ensure a smooth transition for staff and students.

We currently have 2 contract positions which are in the recruitment process.

As many of you are aware, I have made the decision to move to Adelaide and will begin as Deputy Principal at Warradale Primary School at the beginning of 2020. It will be with great sadness that I move on but feel extremely confident that the directions of the school are clearly outlined in the Site Improvement Plan and the school will continue to improve.

### Congratulations to SACE Students

Congratulations to Bryanna, Lucy and Manny who have completed their SACE. The graduating students, their families and the senior class are looking forward to the graduation celebrations on 20<sup>th</sup> November at West Augusta Football Club.

### Ancillary Award

Congratulations to Billie Venning who was presented with the **South Australian Special Education Principals and Leaders Association (SA SEPLA) Ancillary Award 2019**. Billie received the award for her extensive work around increasing communication opportunities for students. This work has included leading a Professional Learning Community, producing a bank of videos to support staff, modelling good practice and support school in the Port Augusta and Far North Partnership.
